

Takaka Primary School Home and School

What is the Home and School Committee???

We are a small group of dedicated parents who organise a variety of events and catering jobs throughout the year to raise funds for your children. You may be aware that the Government does not fund schools adequately and schools therefore rely heavily on locally raised funds to provide a quality education for your children.

What we have been doing

Last year around \$9000 was raised through this group. So far this year we have paid for the buses that took the junior school to 'Staying Alive' in Nelson, bought the new science equipment for science week, the truck and trailer load of bark for the playground, plus lots of extras you see in the classrooms. We've made over \$1500 already this year (3 catering jobs and a disco).

Our next catering job is for the bridge club on Saturday 27th July from 9 00am and we need help. Please ring Kylee on 525 8807 if you can spare a few hours to help on the day or if you can make soup, a slice/biscuits or muffins.

How you can help

We would appreciate it if you could indicate on the table below where you could help us and return this form to the office. If all the school families became involved (130 families) you would only be called upon once or maybe twice a year.

Please help us to continue to operate. We also need committee members and a new secretary.

Cheers Kylee and Fleur

Name:	Phone:
Event	Please tick where you can help
I can be a committee member	
Helping to organize social events eg Picnic Night	
Joining a sub committee to organize a project	
Assisting with catering projects	
<ul style="list-style-type: none"> • Organizing a catering event 	
<ul style="list-style-type: none"> • Baking 	
<ul style="list-style-type: none"> • Food preparation at school 	
<ul style="list-style-type: none"> • Serving and dishes afterwards 	
Helping organize a cake stall	
Donating ingredients or money for ingredients	
Baking for cake stalls	
Phoning parents to ask for help at events	
I am interested in attending social information nights eg with a guest speaker	
I have some ideas for fundraising events	
Any other comments
